 Other (Please specify relationship to member)

I wish to remove the existing authority on my account, effective immediately.

Authorised person's details

Family name Given name(s)

Postal address (including postcode)

Phone Mobile Date of birth

Email

Member declaration

- I acknowledge and understand that by authorising the person below, they will have the same rights and obligations as myself to access information about this policy. The authorised person may also change details and make claims on behalf of any person covered by this policy.
- I acknowledge and understand they are unable to cancel, add or remove a member other than themselves from this policy. I remain responsible for my policy and for the actions of the authorised person and give this authority at my own risk.
- I understand that this nomination replaces any previous authorisation for my account and that I can only have one authorised person for my policy.
