Claiming made easy

HCI membership card

Electronic claiming allows you to instantly claim a HCI extras payment when you pay for a health service. You'll find card terminals at many dentists, optometrists, chiropractors, physiotherapist and other therapists.

It's easy, just swipe your HCI membership card on a card terminal as you pay. Your claim is assessed and processed on the spot.

HCI Claiming App

Download the HCI Claiming App to send us your claim straight from your mobile or tablet.

Email - with completed claim form*

Email your claim form and receipt to us at enquiries@hclitd.com.au

*To download claim form, visit hclitd.com.au/forms

It's important to remember:

All accounts and receipts must include name of the person receiving the service, the date, provider details, the appropriate item number and full description for the services/products being claimed and the cost.

All services/products must be provided by practitioners who are operating in private practice and are approved by HCI.

Claims must be lodged within two years of the date of service. Benefit payments are calculated on the date of services/products are provided.

You must have HCI Hospital Cover to start an extras policy.

Want more bite?

Ask about our Healthy Extras cover, with higher annual dental limits - your teeth will thank you!
