HCI - Silver Plus Hospital Cover

THINGS YOU NEED TO KNOW

This policy excludes:

Pregnancy and birth
Assisted reproductive services
Weight loss surgery
Insulin pumps
Pain management with device
Sleep studies

This policy includes restricted cover for:

Rehabilitation
Hospital psychiatric services
Palliative care

RESTRICTED SERVICES

A Restricted Service is a service where we pay the minimum benefit set by the Government towards hospital accommodation. On restricted services you are likely to have out-of-pocket costs, as HCI will pay only up to the set government fee for your hospital accommodation.

For Restricted Services as a private patient in a public hospital, we will pay minimum shared room benefits. If you're treated in a private hospital for a Restricted Service, you may incur substantial out-of-pocket expenses.

EXCLUDED SERVICES

An Excluded Service (see above for more information) is a service that we won't pay any benefits towards, including any hospital accommodation or medical services.

Waiting Periods

A waiting period applies when you join HCI, or change your cover to include new or upgraded services. We won't pay benefits for relevant items while you are serving a waiting period.

12 months	for pre-existing conditions
2 months	for palliative care, rehabilitation and hospital psychiatric treatments, even if pre-existing condition
2 months	for all other treatments

Pre-Existing Conditions

Pre-existing conditions are ailments, illnesses or conditions where signs or symptoms existed during the 6 months prior to joining HCI (or upgrading your cover).

Excess

This is the amount you pay towards any overnight hospital admission before we pay any benefits. There are three excess levels on this cover: \$250, \$500 and \$750. Generally, the higher your excess, the lower your premium. The excess applies per adult, per calendar year. Some hospitals may require you to pay the excess at the time of admission.

Medicare Levy Surcharge

This policy exempts you from the Medicare Levy Surcharge (MLS).

Hospital Accommodation Costs

HCI covers you for up to 100% of accommodation costs and theatre fees on eligible services in contracted hospitals and day surgery facilities in Australia

Hospital Network Access

HCI has agreements with more than 500 private hospitals and day surgery hospital facilities around Australia. For a comprehensive list of our contracted hospitals in your local area visit: hcilt.com.au/search-hospital.

It's important to remember that as an Australian resident, Medicare covers public hospital treatment and emergency patients will normally go to a public hospital with Intensive Care Units.

Medical Costs

Under the Commonwealth Medical Benefits Schedule (CMBS) fees are determined and accordingly split between HCI and Medicare.

Between HCI and Medicare we cover 100% of the CMBS. Prior to treatment it is imperative to discuss with your doctor if there will be any out of pocket expenses. If your doctor charges over the CMBS fee HCI cannot cover these expenses.

Gap Costs

In the event you need specialist care in hospital your doctor can use HCI's Access Gap Cover. Access Gap is a simple billing system that aims to eliminate out-of-pocket expenses all together, or, reduce them considerably. Through Access Gap your doctor can let you know exactly what you have to pay prior to treatment.

Travel and Accommodation

This policy does not provide cover or benefits for travel and accommodation outside of hospital.

What's Not Covered?

- Outpatient services including treatment received in an emergency department or within a doctor's room who operates outside of the hospital. Your hospital cover does not cover you until you are 'admitted' to the hospital
- Cosmetic surgery
- Extra services beyond the hospital treatment plan
- Personal expenses while in hospital, such as phone calls, newspapers and TV rental
- Hospital Benefits where the professional services performed are not eligible for Medicare
- Pharmaceutical items supplied or prescribed on discharge.
- Medical Gap
- Surgically implanted prostheses gap

Always check with the hospital and your doctor before proceeding with a hospital booking to ensure you will be covered and to discuss what costs you may incur.
